

## Faith and Film Series | 2019 Winter-Spring

*A series of feature films celebrating faith in our lives.*

The Faith and Film series is about celebrating life and inspiring each of us through the power of story. Since the advent of the movies, there have been countless stories that have reached in and touched the soul. Consider the power of story to move you along in your journey. Consider the power of story to remind each of us of the importance of faith, hope and love. Consider the potential for the world to be a better place. And consider the possibility that films change people and people change the world. This series will be shown bistro-style in the Fellowship Center at First Evangelical Lutheran Church, Ellicott City, and the community is invited to attend. All showings are scheduled for 7:00 PM. All films are shown with closed captions. Light refreshments are provided by the Fellowship Committee of FELC.
